Via our home page (Meetings) you will find a link to the hotel home page as well as a route planner. The journey has to be organized privately. Travel costs may be accounted for after the event (that applies to PIs too; please do not forget to account for the trip). Accommodation will be in single rooms (PIs) or shared rooms (graduates). Collegians were called to send short reports on the status quo of their work to their supervisors and to arrange meetings with them prior to or shortly after the colloquium.

The colloquium will start at 9.50 on Thursday morning with a welcome by the IRTG 1830 spokesperson. Talks of the graduates will follow immediately and are scheduled 20 minutes (each including 5 minutes for discussion). Catering at the hotel on Thursday includes lunch and two coffee breaks. After lunch a guided city wall tour will be organized (ca. 1 h). At 6 pm we will have a guest talk by Prof. Ralf Bernd Klösigen from the University Halle-Wittenberg. Dinner is booked in the restaurant “Im Kitzig”. On Friday, talks will start at 9 am after breakfast (and check out) and are supposed to end at 12.20 pm with concluding remarks by the second spokesperson. The end of the colloquium is intended after lunch (ca. 1.30 pm). Details about the talks are given in the agenda.
